CAREER POINT

Distance & e-Learning Programs

Career Point distance learning division provides various effective and efficient courses for competitive examinations. These courses are prepared by highly experienced faculty members who have been successfully guiding students for more than a decade and understand the examination pattern. It is no surprise that many questions asked in JEE & Pre-Medical, in previous years have been from our Study Material & Test Series, which proves the relevance of our Distance Learning courses.

Features of Distance Learning Program-

- ◆ These courses are interactive in nature and communicate with students in a logical, sequential & effective manner.
- ◆ Whatever is taught in the classrooms is also available in Distance Learning Courses.
- ◆ Helps students to gauge their academic performance and prepares them in such a manner that they feel as if they are virtually undergoing our classroom coaching program.
- ◆ These courses are designed & developed by highly experienced faculty members who exactly know what is required to crack JEE, NEET and other Pre-Medical Exams.
